NJJBA - OJBA Construction Expo and Conference

Close to 2,000 people attended this sold out event on November 29, 2017. The construction and management Expo was hosted by the NJJBA in conjunction with the Orthodox Jewish Builders Association. It featured over 200 booths and vendors and speakers discussed topics such as overdevelopment, land use law, financial strategies and business communication keys. It was a great venue for our members to meet potential clients and vendors as well as to discover new and efficient products on the market.

Governor - Elect Transition

We are honored to have our Chairman, Miles Berger, and Executive Director, David Rosenberg, chosen by Governor - Elect Phil Murphy to serve on his transition team. The transition team is a group of influential leaders in various industries that help shape the incoming administration's policies. We are pleased to represent you while NJ's economic future is being planned.

Menorah Lightings

The NJJBA once again celebrated Chanukah with public officials by lighting Menorahs in their offices. The annual Menorah lighting ceremony is a time to celebrate religious liberty, while strengthening ties and building bridges between communities and their elected leaders. This year's celebrations were held in the offices of Hudson County Executive Tom Degise, Assemblyman Raj Mukherji and Assemblyman Nicholas Chiaravalloti. May the light of freedom shine forever.

Membership Renewal

NJJBA's Charter Membership renewal drive is in full swing. Charter Members receive exclusive benefits while supporting the important mission of the alliance. If you haven't yet joined or renewed your membership, please contact us at info@njjba.com.

The deadline to update or submit your no-fee general member listing for the 2018 Alliance Directory is January 15, 2018. Click [here](#) to complete.

Best wishes for a prosperous and healthy 2018!
