## Lively Networking Event with Bayonne Mayor Jimmy Davis

NJJBA's Bayonne's members recently met with Bayonne Mayor Jimmy Davis and mingled at a special Meet & Greet event hosted by Royal Wine Corp. Businesses had the opportunity to network with one another and to address their concerns to the Mayor.

It was just four years ago that the concept for an alliance was planted in the city of Bayonne. Today, the Alliance has grown by leaps and bounds. The Meet & Greet with Mayor Davis highlighted just how far the Alliance has come in such a short period of time.

## Continuing Education for the Workforce

NJJBA is working with the highly esteemed New Jersey City University to introduce a Continuing Education Program for employees. Topics may include ESL, basic computer skills, leadership skills, and more. The initial meeting to lay the groundwork for the program was held on June 18<sup>th</sup> at the University Campus. Please contact us if this program can benefit your company.

## New and Improved Membership Rates

At a recent NJJBA board meeting new membership levels were introduced along with new rates. The new rates will allow more businesses to join the Alliance to reap the benefits of belonging to an association with a strong unified voice. See attached document for new rates.

Wishing you a Safe and Happy Summer!
