

## Sheriff Sale Date to Remain Unchanged

After learning that the Hudson County Sheriff Sale was scheduled to be changed to Fridays which would cause much aggravation for many of our members by limiting their ability to participate, the NJJBA worked extensively with the parties involved and we are pleased to report to you that the sale date will proceed unchanged.

## Third Annual Legislative and Business Luncheon

Our third annual Legislative and Business Luncheon was an outstanding success. It was hosted by the Berger Organization at the Robert Treat Hotel in Newark. We had the opportunity to hear from both Gubernatorial campaigns. Assemblyman Nicholas Chiaravalloti from the 31st district was honored at the event for his commitment to the business community. See attached for more news coverage of the event. [Click here](#) to watch a short clip of the event.

## Name Change and Board of Directors

Great news! Our expansion reflects on our name. North Jersey Jewish Business Alliance (formerly Hudson County Jewish Business Alliance) now encompasses the entire North Jersey region. Servicing a greater area comes with many advantages for our members. It gives you the opportunity of untapped networking potential at events and is a stronger voice for the Alliance. We also carefully put together A Board of Directors of prominent business executives that oversee and direct operations.

## Law Enforcement Meeting

An informative and collaborative meeting with the law enforcement community in preparation to the High Holidays was held on September 12th. Discussion surrounding increased safety needs during the holidays and enhancement of communication between the community and the different agencies present were raised. Such dialogue generates mutual respect and understanding. The event was hosted by United Rescue Jersey City and JCMC EMS.

## Advocating For Our Members

Over the past months, we had extensive meetings and productive talks with various local, state, and federal elected officials and their staff. We discussed how to further the mission of the Alliance and how to make New Jersey more business friendly for our members.

We greatly appreciate your continued support and hope that you are encouraged by the growth of the Alliance.

Wishing you a happy, healthy and sweet new year!
