- 04 JEWISH CAUCUS EVENT

August Luncheon

Elected officials and alliance members came together for the eighth annual Legislative and Business Luncheon at the Robert Treat Hotel in August. Assemblyman Roy Freiman, KRE Group and Ted Zangari were honored for their constant devotion towards the community.

Congressman Bill Pascrell delivered a powerful address, proposing solutions to the supply chain crisis in wake of the pandemic.

The event concluded with keynote speaker Marlene Cintron. Stressing that small businesses strongly support the economy; the audience were encouraged to continue sharing insights and ideas with the SBA.

Roundtable with Congressional Candidate Rob Menendez

The NJJBA met with Congressional Candidate Rob Menendez to discuss what he can do to affect change on local businesses once in office.

Thank you to Imperial Dade for graciously hosting the event.

Law Enforcement Meeting

In preparation for the Jewish High Holidays, NJJBA once again held a conference with the law enforcement community. With the goal of spreading awareness of our communal needs, especially during this time of year, high-profile representatives from numerous agencies gathered at the Hudson Regional Hospital of Secaucus. The attendees were addressed by speakers from the US Attorney’s office, FBI, Newark office, Office of Attorney General and the Union County Prosecutor Bill Daniel.

Jewish Caucus Reception at the League

The New Jersey Jewish Public Officials Caucus, a project of NJJBA, held its third annual event at the NJ League of Municipalities conference on November 16th.

Connecting the Jewish attendees of the conference, the event presented an opportunity for lawmakers to network on behalf of the safety of the Jewish community. At the forefront of discussion was the recent antisemitic attacks, a product of the age-old problem.

We would like to thank those who attended and look forward to continuing to support each other.
